The community is superexcited after yesterday's announcement that many fansites will attend a **very special Community Day in Redwood Shores**

! Yes, a number of sites from several parts of the world have been invited to a very unique event in the Sims' headquarter! Among the luckiest ones there are:

- PlatinumSimmers
- SimTimes
- Capital Sims
- SimCookie
- TickledPinkSims

But that's not all folks! Our friend **Sww**, that will personally fly to the US for PlatinumSimmers, is holding a contest on her site: by sending good questions about the game, you will have the chance to win a Store item that equal 500 SimPoints!

You can read the rules and policy [here](#) !

And to all the lucky players attending the event, have fun and enjoy your stay in Redwood Shores!
