[Snooty Sims](#) attended the Dutch fan event and reported some interesting news on his website. By playing the game, he has discovered some useful details such as cheats and lifetime rewards. We can't be sure if these are true or not and if they actually work, but we report all them as "fun facts" and we reserve to try them ourselves as soon as possible... unluckly this means we should wait until June!

## CHEATS:

CheatCode	Result
Kaching	Adds \$1.000,- to household funds
Motherlode	Adds \$50.000,- to household funds
Moveobjects on/off	Move unmovable objects
constrainFloorElevation [use/false]	to make it possible to raise or lower the floor even when there are
disableSnappingToSlots [on/off]	Objects will not snap to slots while holding ALT
enablellamas [on/off]	Ok this is a joke. it's in the cheatlist, but it does nothing. They just added it fo
fadeObjects [on/off]	Toggles whether objects fade when the camera gets close to them. Does not
testingCheatsEnabled [use/false]	to enable debugmode. Can move needs, shift click mailbox to char
fps [on/off]	Displays framerate in upper right corner
fullscreen [on/off]	Self explanatory. You can also change this setting in options by the way.
hideHeadlineEffects [on/off]	Shows or hides talk/thought balloons
jokePlease	Shows a random joke in the cheat console
quit	Exits game
resetSim [first name] [lastname]	Returns Sim to a safe, neutral state at their home
slowMotionViz [0-8]	Puts visuals in slow motion (does not affect in-game time).
unlockOutfits [on/off]	Use before going to CAS. It shows career and service uniforms in CAS.
familyfunds [Familyname] [add]	Add or extract money for a chosen family.

---
