Are you curious to know how much items are included in CAS? Would you like to show all clothes, hair and all other CAS items in The Sims Medieval?

Here there are! Read more and you can give a look at all clothes, hair and beards!

Note: at this moment contes are globally stored, they aren't classified for heroes type. We are working on a lot of things so we will make our best to insert a description note about "who can wear" each outfit.
